OPENING DOORS FOR WOMEN®

Delegate Sponsorship Opportunity

POWER London 2017

3–4 May

“**POWER** London was an opportunity to meet and learn from women committed to effecting lasting change through inclusion and shared experience. **POWER** has served as a catalyst for our women’s initiative in Europe.”

—Emma Rizza, Head of Corporate Development, CNA Hardy, **POWER** London 2015 participant

POWER Opening Doors for Women® is a boutique programme that offers a unique educational opportunity for your top and rising talent to engage, network and share best practices with other leaders in various industries. We provide an intimate environment with a stellar calibre of presenters and attendees who are considered high potentials in their organisations.

Sending a delegation from your organisation is a great way to experience one of our programmes first-hand and help inform your decision about further partnering with us.

We have convened thought leaders from the civic and business communities for the past twelve years. Our dedication to our partners has led us to expand our platform on three continents—Europe, Asia and North America.

Our philosophy is that building a strong partnership is a process. It’s a marathon, not a sprint!
